OBJECTS:

The objects of COBA shall be:

- (a) to foster and improve the game of baseball within COBA's jurisdictional boundaries as laid down under territorial rights recognized by Ontario Baseball Association Inc. (COBA)
- (b) to promote and protect the mutual interests of its members;
- (c) to initiate and regulate competition, to determine COBA champions and representatives to compete in OBA championships; and
- (d) To act as the liaison between members of COBA and OBA.

AFFILIATIONS:

COBA shall operate in affiliation with OBA and through OBA with Canadian Federation of Amateur Baseball.

MEMBERSHIP:

The following persons and entities shall be members of COBA:

- (a) Member associations: each registered local organized group representing a municipality within the territorial jurisdiction of COBA or a defined territorial portion of such a municipality as recognized by COBA. Except as provided in paragraph (c) below, minor clubs desiring to participate in COBA league or to be registered with COBA must be directly affiliated with or sanctioned by a member association;

Direct team entries (i) must apply in writing to the Executive for registration, and (ii) in the case of direct team entries based outside of the territorial jurisdiction of COBA, must provide a written release from the OBA Association in whose jurisdiction they are located. The Executive may, in its absolute discretion, accept or reject

any such application;

- (d) The President, 1st Vice-President, 2nd Vice-President, 3rd Vice-President, immediate Past-President, Secretary, Treasurer, Registrar(s) and all elected or appointed directors of COBA; and
- (e) All Life Members: life membership can only be conferred by a majority vote at an Annual Meeting on the recommendation of the Common Goals Committee and with the approval of the Executive. Criteria for awarding a life membership shall be faithful service to COBA and a desire on the part of the proposed life member to remain active in the affairs of COBA in an official capacity.

ANNUAL MEETING:

Unless otherwise determined by the Executive, the Annual Meeting of COBA shall be held on the 3rd Sunday in October at 11:00 a.m. at such place as the Executive may determine at or prior to its September monthly meeting. Provided that the Annual Meeting is so scheduled, no notice of meeting is required to be sent to members.

At the Annual Meeting, the Executive shall report on the concluding year's activities, amendments, if any, to this Constitution shall be considered, and nominations for and the election of the Elected Executive for the following year shall take place.

NOMINATION OF EXECUTIVE:

A nominating committee appointed by the Executive shall determine a list of individuals indicating a willingness to stand for office. Such list of nominations shall be presented to the September monthly meeting of the Executive for approval. Further nominations for all positions are acceptable from the floor at the Annual Meeting. A nomination will not be permitted unless (i) the nominee has been nominated by the Nominating Committee, (ii) the nominee is present at the Annual Meeting and consents to stand for office, or (iii) the nominee has submitted a written consent to stand for office.

VOTING:

In the event a member association has an odd number of clubs, the member association shall be entitled to the extra vote (e.g., 5 minor clubs - 3 votes; 1 minor club - 1 vote).

Each senior club in good standing shall have one vote.

Each direct team entry shall have no vote.

Each individual member referred to in paragraphs (d) or (e) under "Membership" shall have one vote.

Unless otherwise specified in this Constitution, a majority vote shall prevail on all matters to be voted upon at any annual, special or monthly meeting.

For greater certainty, the number of votes which senior teams are entitled to shall not be included in the calculation of the quorum.

Amendments to this Constitution may only be proposed by a member association or the Executive and must be submitted in writing to the Executive by its September monthly meeting.

Amendments can only be voted upon at an Annual Meeting and a minimum of two-thirds approval vote is required for passage.

SPECIAL MEETINGS:

The President may at any time, and shall upon a two-thirds vote of the Executive, call a special meeting of members for such place and time as the President may determine. Only such matters as are specified in the notice calling such meeting may be dealt with at such meeting.

4. RESIDENCE RULES:

NOTE: Refer to OBA Constitution on Residence Rule P1-3, P1-4, P1-5 and P1-6.

For purpose of definition COBA will interpret the wording used in the above OBA

sections as follows:

Association: shall mean those organized groups directly affiliated with the OBA (i.e., Central Ontario Baseball Association).

Municipal Association: shall mean a local organized group which represents a municipality and is affiliated with an Association.

Club: shall mean "team" within a Municipal Association.

Member: shall mean all persons (executive, directors, managers, coaches, players) of a Municipal Association.

Failure to abide by this rule shall result in the player being called to a disciplinary hearing. Managers/Coaches shall take all reasonable measures to ensure that any player attending tryouts is eligible to attend the tryouts. Failure to abide by this rule shall result in the Manager/Coach being called to a disciplinary hearing.

If an association does not have a team at a players appropriate age level then a release is not required for the player to play for another association for that playing season. ~~Exception: Minor-Rookie-Ball-age-players-are-not-allowed-to-leave-their-home-association.~~ If the association where the player resides fields a team for the following season then the player is required to follow the requirements of the residency rules as defined by OBA & COBA. Age means that if a player is in any of the ages listed below before January 1st of the playing year, the player cannot play in that Series. If a player's birthday falls on January 1st, or after, in the playing year, the player can play in that Series.

Minor RookieBall: Age 8 on January 1st

RookieBall: Age 9 on January 1st

No player may participate with more than one club in any one series.

6. MANAGER AND COACHES:

Only properly rostered OBA coaches may sit on the bench at any time. Coaches/Managers from any non OBA recognized teams may not coach, manage,

or be on the bench during any games, at penalty of forfeit and the coach being removed from the team's roster.

All such ejections shall be reported to the Protest and Discipline Committee for its review.

Lines shall be drawn from the release point to 4 ft. beyond the circle. The pitcher must have both feet on, or within 4 feet behind, the white line until the ball is released from the machine. - (d) Outfielders must be at least 5 meters (15 feet) behind the infield until ball is put in pitching machine
- (e) The pitching machine speeds cannot be altered except at the end of an inning. Any tampering with the machine speed by the coach feeding the machine shall result in the coach's immediate ejection. If the machine speed is erratic, it shall be corrected by the umpire. (This may be done at any time.) Machine speed is a maximum of 40 mph and a minimum of 35 mph. Height can be adjusted at any time.
- (f) All Rookie Ball baseball games shall be a maximum of 7 innings or until

a winner is declared. 2 hours of playing time **from scheduled start** (regardless of the number of innings) shall constitute an official game, except that a winner is declared and the game declared official at any point that the opposing team is unable to win or tie the game. For greater clarity, no mercy rule applies at Rookie Ball, other than maximum run per inning limitations.

- (g) Each batter shall receive a maximum of 5 strikes as called by the umpire. The batter shall not be called out if the 5th strike is called a foul ball. If a ball crosses the plate over the batter's head or bounces into the dirt, the umpire will not count it as a strike unless the batter swings at the pitch.
- (h) Batters cannot walk or bunt. (Bunts are automatic outs.)
- (i) There shall be no passed balls or wild pitches.
- (j) Base Runners cannot leave the base until the batter makes contact with the ball. If an infraction occurs, the ball will be declared dead and runners may not advance. One (1) warning will be issued and for any further infractions. Thereafter the runner will be called out. (Each team may receive 1 warning). No stealing allowed.
- (k) If a batted ball hits the pitching machine or any adult in the playing field, then the ball is declared dead and the batter is awarded first base with the corresponding move of any base runners who may be forced to move. The coach feeding the machine must not interfere with any play being made by the defensive team. Otherwise, the batter will be called out and the runners will be returned to their base of origin. In case of the third out the side is retired. If the 10th batter hits the pitching machine, then the ball will be declared dead, the batter will be awarded first base with the corresponding move of any base runners who may be forced to move, and the inning will be over.
- (l) *When a thrown ball hits the pitching machine or the cord within the circle, then the ball is declared dead and each base runner (including the batter-runner) shall advance one base from the time the ball becomes dead*
- (m) The plate umpire shall be behind the catcher. The second umpire is the traditional base umpire.
- (n) The on deck batter, the batter and base runners must wear a prescribed protective helmet with flaps covering both ears. Chinstraps are mandatory and will be worn as designed by the manufacturer. Helmets may not be changed except after the inning has been completed, or the player has been retired or has crossed home plate.
- (o) Shoes with metal cleats are prohibited.
- (p) All catchers are required to wear a mask with throat protector, helmet,

chest protector, shin guards, cup and cup type supporter during the game and during any warm-up, machine set-up, etc.

- (q) In addition to wooden bats, metal bats shall be allowed in OBA play. These bats shall meet the dimensional requirements specified in Rule 1:10 of the Official Rules of Baseball. The maximum diameter of the bat barrel is 2 3/4".

- (s) A coach/manager may only communicate positive instructions to his/her players on the field.

- (x) The coach operating the pitching machine may instruct batters but may not instruct base runners during play.
- (y) Batters at Rookie Ball must drop the bat and not throw it (intentionally or unintentionally) upon hitting the ball. Penalty, each team shall be entitled to one warning per game. After the warning, any further offences by a team shall result in the batter being declared out, the ball being dead and runners returning to their bases.
- (z) Infielders can ask for time in the infield area. Time will be given at the umpire's discretion when continuous action from the play has stopped. NOTE: The ball does not have to go back to the pitcher before an infielder may ask for time. Continuous action ends when the defense stops trying to field the baseball, and the offense stops trying to advance.
 - (a) *Once Time has been granted by the umpire, the ball is returned to the Offensive Coach within the Pitching Circle. At this time, the Plate Umpire should say "Play" to make the ball live. The defensive pitcher should ask the pitching coach for the ball so he/she can make the appeal by tagging the base or the runner and indicating to the umpire the runner missed the base/left early/etc. This pitching coach must give the ball to the defensive player when requested. As per the Official Rules of Baseball, Appeals must be made while the ball is live on either the base that was missed by a runner, or on the runner – as long as the defense indicates clearly that an Appeal is being made.*
 - (b) In addition to electrical pitching machines, Louisville Slugger UPM 45 Blue Flame Pitching Machines are approved for OBA Rookie Ball play.

It is recommended that a radar gun be present to confirm the machine settings produce pitches at the speed contemplated by Q2.3 f). Note: A tournament may use either electric or mechanical machines, but not both.

Any pitcher, if removed from the game, may return, but may not pitch. Any further substitutions do not jeopardize the right of re-entry for the original/starting player.

(m) In Minor Mosquito through Minor Peewee games, all players present at the game shall be listed on the team's batting line-up in the order desired by the manager/coach and bat in that order. Late arrivals shall be added to the bottom of this batting order. If the batter becomes an out, he shall assume his regular turn at bat.

If a runner is removed by reason of injury or official ejection from the game, the player last put out shall act as pinch runner for the removed player. By virtue of the rule there shall be no pinch runners or pinch hitters allowed. Also, unlimited substitutions defensively is allowed except, in Mosquito and Mosquito Minor games, a pitcher once removed from pitching may not return to pitch.

(This sub-section supersedes provisions of the first two sentences of subsection (k) MINOR MOSQUITO, MOSQUITO and MINOR PEEWEE only).

- (n) i) Designated Hitter (DH). In Midget Minor through Junior, a designated hitter may be used for the pitcher as per the Official Rules of Baseball.

 - b. Have 9 in the batting lineup with a DH batting for the pitcher
 - c. Have 10 in the batting lineup with an EP and the pitcher batting

 - e. The EP may be substituted freely in and out of defensive positions
 - f. Official Rules of Baseball DH rules as per i) above still apply

- (o) Rule 8.06 Trips to Pitcher:

For Minor Mosquito & Mosquito, the number of trips to the mound by manager/coach shall not be limited except when the umpire rules that the purpose of the trip is to delay the game. In Minor Mosquito and Mosquito games, a pitcher once removed from pitching, regardless of the trips to the mound by the manager/coach, may not return to pitch in that game. (OBA P2-10)

From Minor Peewee through Junior, a second trip by a manager/coach to the same pitcher in the same inning shall result in the pitcher's automatic removal from the pitching position. The pitcher, once removed, may continue in the game at another position but shall not be permitted to return to pitch in that game.

- (p) A pitcher may not pitch more than the following limits in a COBA league or calendar day. If the limit is reached while facing a batter, the pitcher may complete pitching to the earliest of: (i) the completion of the batter or (ii) the end of the inning.

The pitching limits apply to every pitcher. For an ambidextrous pitcher, the limits and restrictions apply to the pitcher and not to each individual arm. For clarity, the pitches thrown with the right arm and left arm on a calendar day are added together to determine whether a pitch limit has been reached.

- (r) *At Minor Mosquito, Mosquito, Minor Peewee and Peewee, a player may not be a pitcher and a catcher in the same game.*
- (s) For the 2017 season only, a Rookie age player, who is rostered on a Minor Mosquito team can pitch in league play. For greater clarity, a Rookie age AP is not considered rostered and cannot pitch for the Minor Mosquito team for which he is AP'd. Further, a Rookie player rostered with a Rookie team, who is called up to play with a Minor Mosquito team, cannot pitch for said team. For the 2018 season, Baseball Ontario rules will apply as it pertains to all pitching age limitations.
- (t) The official scorekeeper or designate shall be the official pitch count recorder. This recorder must provide the current pitch count for a pitcher when requested by either manager or umpire. The official pitch counter shall inform the home plate umpire when a pitcher has delivered his/her limit of pitches for the game. The home plate umpire will then notify the pitcher's manager that the pitcher must be removed.
Note: It is the responsibility of the manager to remove a pitcher when a pitcher is no longer eligible, even if the pitch count recorder and/or umpire fail to notify the manager.
